

## **Call for Papers**

The Ministry of Education has designed Special Needs/Inclusive Education Strategy in 2012 and its implementation is underway. To strengthen and enhance its implementation status, Implementation Guideline has been developed and distributed to Regional Education Bureaus as an effort to achieve Sustainable Development Goals.

Currently, the Ministry is esteemed to conduct a National Conference on Special Needs Education on the third week of June. The main objectives of the conference are to evaluate the implementation status of Special Needs/Inclusive Education Strategy and further recommend important points in relation to ESDP V, GEQIP Equity and Special Needs Education Master Plan directions.

To this end, the Ministry would like to invite interested researchers to present their research that have been conducted in Special Needs/Inclusive Education after 2015. Professionals and academics who are interested can send their Abstracts via [gebre2tek@gmail.com](mailto:gebre2tek@gmail.com) and [belewae@yahoo.com](mailto:belewae@yahoo.com) before May 28, 2018.
